

A thought about the power of commitment...

***Until one is committed, there is hesitancy,
the chance to draw back—***

Concerning all acts of initiative (and creation),
there is one elementary truth that ignorance of which
kills countless ideas and splendid plans:

***that the moment one definitely commits oneself,
then Providence moves too. All sorts of things occur to
help one that would never otherwise have occurred. A
whole stream of events issues from the decision, raising
in one's favor all manner of unforeseen incidents and
meetings and material assistance, which no man could
have dreamed would have come his way.***

Whatever you can do, or dream you can do, begin it.

Boldness has genius, power, and magic in it.

Begin it now.
